

GL0171

Unlined Green PVC Double Dipped Gauntlet, 11" Long

Chemical Protection • Jersey Fleece Liner • Superior Grip

PRODUCT DESCRIPTION

The Green Double Dipped 11" PVC Gauntlet is a premium double dipped PVC gauntlet with excellent resistance to a wide range of chemicals and solvents. It features a granular finish on the hand area which improves grip, especially in oily conditions. Jersey fleece lining is soft, comfortable, warm and, with the Sanitized hygiene function, enhances freshness, hygiene and repels odours.
