3M[™] Full Facepiece Reusable Respirator FF-6000 Series

Wide Field of Vision • Silicone Rubber Seal • Ultimate Comfort

PRODUCT DESCRIPTION

The 3M[™] FF-6000 Series provides the ultimate in comfort and protection. It is an industry recognised face mask that provides protection every day to a wide variety of users and applications.

FEATURES & BENEFITS

- Optically perfect to prevent any visual distortion
- Hard coated as standard to provide solvent and scratch resistance
- Filters sit low and close to the face providing excellent balance and weight distribution
- Liquid Silicone Rubber (LSR) face seal for durability and long life
- Excellent face fit without the need to overtighten the harness
- High wearer acceptance due to soft silicone face seal

CERTIFICATION

- EN 136:1998
