COOKIE NOTICE

A cookie is a small piece of information stored in your browser, usually as a file on the hard drive of your computer. Cookies are a standard feature of browsers and the web, and contain information that is transferred to your computer's hard drive. For more information about cookies in general, see <http://aboutcookies.org>

As described in our privacy policy we use cookies to help us to improve our site and to deliver a better and more personalised service.

Some of the cookies we use are essential for the site to operate. We do not, unless stated, use cookies which would enable us or any third party to track your usage on any sites other than ours.

If you have a login to our site, we use cookies to facilitate your login, and may at your option use a cookie so that you do not need to enter your username and password every time you wish to login to our website.

Our Cookies on this site:

__utm*

- Google Analytics
- The tracking is per session
- It is a tracking cookie.
- Its purpose is to build up the Google Analytics data such as site visits, bounce rates, browser/OS used etc

CONSENT

- Cookie Consent Store
- This cookie stores whether or not to show the cookie consent bar at the bottom of the screen. On clicking "Okay, thank you" a long expiry cookie is set so that the bar isn't displayed to users anymore

1P_JAR

- Google YouTube Cookie
- Tracking cookie
- This cookie is set via an embedded youtube-video. Its purpose is to register anonymous statistical data such as how many times a video is displayed or what settings for the play back were used

We value your feedback

PHPSESSID

- Unix PHP Session Cookie
- Sessional
- This is a cookie used to store a session ID. Used for storing things like items in the basket and remembering search terms.

woocommerce_items_in_cart / woocommerce_cart_hash

- WooCommerce Cookies
- Sessional
- These cookies store data needed for the site to remember which basket is the current customer's basket and how many items are currently in the basket.

Blocking cookies

You may block cookies by activating settings on your browser which allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies as soon you visit our site.

Most of the cookies we use are known as session cookies, which allow us to make your browsing experience faster and more seamless - session cookies will expire whenever you close your browser or shut down your computer, and such cookies need not be blocked. Other cookies used for specific purposes will expire when that purpose is no longer required, such as when a survey closes.

You can find out more about how to block cookies in specific browsers at <http://aboutcookies.org>
