

AS9027

Flame Resistant Antistatic Balaclava

FR AS Certified • Seamless Design
• Protal® FR Fibres

PRODUCT DESCRIPTION

Seamless design balaclava for optimum comfort, double-layered, breathable fabric. The tubular design ensures minimal seams to reduce abrasion against the skin and the ribbed panels give additional stretch.

FEATURES & BENEFITS

- Lightweight FR AS fabric for all round comfort
- Highly breathable with stretch panels to fit the face
- Flat tubular seams for a perfect comfort fit
- CE marked for quality assurance

Sizes: L/XL

Colours: Grey

Fabric: Protal® Modacrylic/Cotton/Antistatic, 165gms
