Spill Pallet 1300x750x400mm 2 Drum 250 Litre (Includes Grid)

250 litre Spill Pallet • Removable
platform

PRODUCT DESCRIPTION

A tough durable spill pallet with a removable platform that provides space for two 250 litre drums side by side. When unused the platform can be removed and other pallets of the same size can be stacked to save space. Pallet has hand insert and access holes for inspection and pump insertion.

This products is for the static storage of drums only – drums should be removed before forklifting.
