## HAZTEC® Marlim AS FR Softshell Waterproof Jacket

Flame resistant (FR) • Anti-Static (AS)  
• Softshell Jacket • Hi-Visibility Bands

### PRODUCT DESCRIPTION

The Marlim Jacket has been designed and developed by HAZTEC® due to wide-spread demand for a modern alternative to the traditional Drivers Jacket. The 'soft shell style' jacket has a waterproof zip fastening covered by a storm flap. The design meets the most stringent demands of oil, gas and chemical sites with the added advantage of A1 waterproof certification. The design of this Haztec waterproof, flame resistant, anti-static drivers jacket incorporates two front pockets and two internal pockets as well as reflective bands to the front, back and pockets.
