

RP0021

Elipse Low Profile Half Mask c/w ABEK1-P3 RD Filters

Flexible Design • Replacement Filters •
Large Central Non-Return Valve

PRODUCT DESCRIPTION

Compact, lightweight and flexible design. Adapts and fits perfectly to the face and offers a full range of visibility without interfering with other eye or ear protections which users choose to wear. Lightweight, non-slip strap that is easily adjusted in 4 positions for improved comfort and to allow safe use even in high humidity or wet condition. Large central non-return valve which allows for a reduction of breathing resistance for the users and keeps moisture build-up inside the mask to a minimum.
