

RP0023

Elipse Low Profile Half-Mask c/w P3 RD Filter

Non-Slip Strap • Lightweight • Low-Profile Filters

PRODUCT DESCRIPTION

Compact, lightweight and flexible design which adapts and fits perfectly to the face. Offers a full range of visibility without interfering with other eye or ear protections which users choose to wear. Large central non-return valve which allows for a reduction of breathing resistance for the user and keeps moisture build-up inside the mask to a minimum.

FEATURES & BENEFITS

- Reusable thermoplastic elastomer (TPE) half-face mask
- Protects from dust, metal fumes, oil, water mists and micro-organisms such as bacteria and viruses
- Elasticated head and neck strap for a great fit
- Comfortable to wear for long periods of time
- Compatible with other PPE such as visors and welding helmets
- Replacement filters available under Hazchem code RP0024

Size: S/M - M-L

Weight: 132g (97.6g without filters)

CERTIFICATION

- EN 140:1998 P3 R
