Uniwipe Clinical Sanitising Wipes - Pack of 100

Super-size Wipes • Alcohol-free • Heavy Duty

PRODUCT DESCRIPTION

These wipes are super size, heavy duty cloths which act like micro-fibre fabric; cleaning and trapping dirt as you wipe over the surface. These properties, combined with the unique, fast acting all surface fluid formulation, makes Uniwipe the one wipe that does it all.

FEATURES & BENEFITS

- 100 super-size wipes
- Dual action cleaner and sanitiser
- Grippy and absorbent
- Very low foaming
- Harmless and hand safe
- Trusted in healthcare organisations
- Recyclable packaging
- Alcohol-free
- Safe and suitable for all surfaces
- Dispenses one wipe at a time
- Super-soft, strong and absorbent
- Unscented
- Collects the dirt like microfibre and keeps it on

Size: 38 x 25 cm
