

## HF0530

### Centurion Spectrum Safety Helmet & Visor

Anti-scratch & Anti-mist coating • Soft  
nose bridge • Choice of colours

#### PRODUCT DESCRIPTION

This safety helmet with a tough ABS shell meets the optional side impact deformation rating, and includes precise dial adjustment of the head band harness.

The visor adjustment ensures a very close and comfortable fit around the eye and nose, considerably reducing the possibility of any fuel or chemical splash bypassing the visor.

Comfortable textile webbing cradle to support the hard hat on the head and removable adjustable head band with nose strap. The ratchet adjustment ensure a snug fit, making it a pleasure to wear, even for long periods of time.

#### FEATURES & BENEFITS
