

RP3313

Scott A2B2E2K2 Filter for Vision 2 Full Face Mask

Combination Filter for Multi-Gas Protection • 400mm Screw Connector

PRODUCT DESCRIPTION

The Scott A2B2E2K2 Filter for Vision 2 Full Face Mask is a combination filter suitable for organic (A), inorganic (B), acid gases (E) and vapours, including ammonia (K). This filter does not have the additional P3 particulate pre-filter, so it is only suitable for gases and vapours, not particulates.

FEATURES & BENEFITS

- Standard 40mm screw connector
- Fits Scott Vision 2 Mask RFF1000 front filter mask RP5512 and RFF4000 side filter mask

CERTIFICATION

- EN 143: 2000
- EN 14387: 2004
