

HF0033

Centurion Nexus Extreme MIPS

Active Comfort Sweatband • Premium Grade ABS • Optimised Micro Peak

PRODUCT DESCRIPTION

The Nexus Extreme Mips combines a low friction layer that allows the head to move inside the helmet (10mm - 15mm relative motion in all directions) which can redirect the harmful rotational motion otherwise transferred to the head.

FEATURES & BENEFITS

- Exceeding standards & transferring less shock for improved impact & penetration protection
- Premium Grade ABS provides high performance & optimal strength
- Optimised Micro Peak for maximum upward visibility
- EN 12492 Chinstrap for the ultimate retention on ground & at height
- Premium 'Twist 2 Fit' wheel ratchet for improved head & nape protection
- Active Comfort sweatband has increased surface area
- Full system compatibility with range of certified accessories for different tasks

Sizes: STD

Colour: White

CERTIFICATION
