# V12 MukGuard Reusable Overboots

Washable • Carabiner Attachment • Integral Pull Loop

### **PRODUCT DESCRIPTION**

MukGuard is a new, innovative, reusable overshoe. It's been created for professionals who regularly enter cutomers' properties through the course of their work. Perfect for DIYers and gardeners as well, MukGuard keeps floors protected from dirty boots and shoes. With an integral pull loop it's easy to get on and off whilst the carabiner ensures that MukGuard remains paired and can always be easily located.

#### **FEATURES & BENEFITS**

- Reusable
- Washable
- Excellent grip
- Abrasion resistant

Sizes: M, L, XL Colour: STD
