

PL0020

Nightstick Zone 0 Integritas™ 84 IS Rechargeable Lantern w/Magnetic Base

Intrinsically Safe • 600 Lumens
• 4-5 Week Lead Time

PRODUCT DESCRIPTION

The INTEGRITAS™ 84 Intrinsically Safe Rechargeable Lantern delivers 600 lumens for 13 hours with four LEDs in a 180° articulating head. Hold the switch for a 250-lumen low mode lasting 25 hours. Designed as a handheld lantern and area light, it features a rear rubber base with a 25 lb. pull-force magnet for hands-free lighting. Built from glass-filled nylon and weighing 2 lbs. 11oz., it's tough and lightweight. A rubber handle, carry strap, and green rear LEDs enhance grip, comfort, and visibility. Certified for global safety standards, it includes a lithium-ion battery, charger base, AC/DC chargers, and carry strap.
