Nightstick Integritas™ 82 IS Rechargeable Lantern

Intrinsically Safe • 1750 Lumens
• 4-5 Week Lead Time

PRODUCT DESCRIPTION

The INTEGRITAS™ 82 Intrinsically Safe Rechargeable Lantern is Nightstick's most powerful handheld light, producing 1750 lumens from four LEDs in a 180° articulating head. It delivers a focused beam up to 552 meters and features a 600-lumen low mode for 11.5 hours of runtime. Engineered as a handheld lantern and area light, the 5582 has a rear rubber base for upright, adjustable scene lighting. Made of glass-filled nylon and weighing 2 lbs. 11oz., it features a wide, flat body and green rear LEDs for team visibility. Certified Class I DIV 2 and NFPA-1971-8.6 compliant. Includes battery, charger base, AC/DC cables, and carry strap.
