

GL5010

ORKA® Leather Palm Combat Glove

220g max weight per pair • Bespoke
Product • Special Order ONLY

PRODUCT DESCRIPTION

This glove is made from high-quality materials, featuring a treated natural leather palm with silicone grip inserts that provide tactile sensitivity without compromising protection or grip.

***Note:** This is a bespoke non-stock item available by special order only.

FEATURES & BENEFITS

- Approximately 220g max weight per pair.
- Very high dexterity
- Antibacterial to reduce odour and bacterial growth
- Maximum comfort and ventilation
- Back of hand and knuckle impact protection using dense EVA rather than moulded TPU to retain dexterity, whilst offering maximum protection.
- Pre-curved fingers
- Adjustable cuff fastener to give a good fit and effective grip whilst reducing hand fatigue.
- ORKA label in the inner cuff

Sizes: 8 - 11 (M, L, XL, 2XL)

Colour: Black/Red

CERTIFICATION

- EN 420:2003 + A1:2009
- EU 2016/425
- EN 388:2016
